

Talking Times Tables

Learn the times tables through cheerful, child-friendly phone calls!

- ★ Master the times tables with our 20 lesson programmes.
- ★ 2 minutes per call, 5 calls per week.
- ★ The ringing phone starts the lesson - **no more nagging!**
- ✔ Set call times to suit your schedule.
- ✔ Change your times table, lesson number, or call times whenever you like!
- ✔ **'Set and Forget'** - Once you're set up, the programme runs itself. When your child completes a lesson, it automatically moves them on.
- ✔ Accompanying worksheets help with memorisation.

*"My daughter has been getting the phone calls for 7 months. Fantastic, easy way to learn your times tables quickly with no tears. She looks forward to the phone calls and every morning she repeats or sings along with Jenn. She's just started year 4 and already she knows all her times tables. **Definitely recommend!**"*
